Season Long Points Championship

Throughout the course of the season points will be accumulated during every event. One point will be awarded for participation and the Top Three finishers in Gross and Net will also receive performance points. In the Club Championship, Match Play and Four Ball, the points will be doubled. All players will be eligible to play in the Points Championship Final.

New to this season, we will keep season totals separate for Gross and Net Divisions, and you will only be able to win additional season ending gift cards in one of the Divisions. You must pay the upfront, season long fee to be eligible for the Points Championship and to play in **ANY** IGA event.
