

IRONHORSE GOLF CLUB & TROON GOLF

*Troon Mission Statement:
To create extraordinary guest
and member experiences by
delivering superior service,
amenities and playing surfaces.*

Ironhorse Golf Club is committed to growing the game of golf while providing the "Troon Experience" to all of its golfers.

Juniors are the future of golf and Ironhorse offers a number of junior programs throughout the summer. The Junior League was created after the great success of the beginner and intermediate summer camps.

We hope that you will join our junior league, so we can show you how Ironhorse creates extraordinary experiences for all of our guests.

to sign up.

LEAGUE DESCRIPTION

This 9 hole league is designed to teach course skills, while creating a fun and exciting atmosphere. There are different age groups so every junior is competing in the proper skill level. We will also have two, hour and a half clinics.
(Check schedule for dates on clinics)

Tee times will be between 8am-9am.

After each round, the juniors will enjoy lemonade and cookies.

There will be a point system that will help determine the league winners at the end of the season. Other awards will be given out at the end of the season, including awards for the most improved player and best sportsmanship, in addition to other fun awards.

Not only will the juniors get recognized at the end of the year, but we will have a GOLFER OF THE WEEK after each round. The GOLFER OF THE WEEK is someone who shows great sportsmanship, proper golf etiquette and respects the course and fellow golfers.

REQUIREMENTS

Juniors that are 8-10 years old must have a guardian volunteer at least twice in the league season to follow a group on the course.

It is mandatory for all juniors and guardians to attend the meeting before the league. The meeting will talk about rules, prizes and how the league will be run.

League Meeting:
May 24 at 6:00pm
